Hush Hush

by John Desmond

Norman is
a
secret agent.
Only family
and
close friends
know this.

Those of you
who have read
this poem
please
destroy it
and
forget
you ever
saw
it.

A Musical Family

by John Mole

I can play the piano
I am nearly three.
I can play the long white note
That Mum calls Middle C.

Dad can play the clarinet.
My sister plays the fiddle,
But I'm the one who hits the piano
Slap bang in the middle.
