The One Thing That Scares Me

by Alan Priestley

There's one thing — and only one thing —
That gives me a real scare.
It's not a fearsome crocodile
Or an angry grizzly bear.
It's not a ghost or ghoul
That fills me with fright,
Not skeletons or phantoms,
Or any spectral sight.

No!

The one thing that scares me is
Having to tell my teacher
Why I haven't done my homework
That should have been done last night.

Voices in my Head

by Judith Nicholls

I daren't.

You can do it.

I can't!

You can do it.

What if...?

You can do it.

Perhaps...

You can do it.

DARE I do it?

You can do it.

Well, MAYBE I should...

You can do it.

I DID IT!

I said you could do it.

I knew I would!
